

The *Mass Save Great Appliance Exchange* Massachusetts' Retailer Certification Form

In order to participate in the *Mass Save Great Appliance Exchange* (Exchange), you must complete and sign this Certification Form indicating you will comply with all program requirements including the Haul-away/Recycling requirements as described below.

Please read the following information carefully and initial each line (in the box to the right) indicating your understanding or concurrence with the bulleted items:	
• I have received a copy of the Retailer Kit that explains the Exchange.	
• I have read the Rules and Regulations for Participation in the Exchange and will comply with them.	
• I will promote and clearly identify the qualifying models and appliances.	
• I will prominently display the Point of Purchase materials provided by the State prior to and throughout the two-week purchase period and carefully label each qualifying unit.	
• I will provide legible sales receipts to customers that accurately reflect the date of purchase and other requirements as detailed in the Rules and Regulations.	
• I will provide documentation on customers' delivery receipts that the old unit(s) was hauled away.	
• I will share information with the State about specific marketing and expenses used to support the Exchange.	
• I will do my best to keep up-to-date on the status of the Exchange to help manage customer expectations.	
• I will maintain delivery records for seven (7) years.	
• I understand that the number of rebates processed by the Exchange for sales made under the program will be reported to the state, by retailer, in compliance with the requirements of the American Recovery and Reinvestment Act.	

Haul-Away – Disposal – Recycling

To prevent the refurbishment and re-sale of old appliances replaced under the Exchange, the Commonwealth of Massachusetts requires participating retailers and their vendors to dispose of and/or recycle all units hauled-away. Please read the following statement carefully and sign on the line below indicating that you will comply fully with these requirements. Only retailers with existing Massachusetts storefronts who agree to these requirements will be allowed to participate in the program:

Retailer/Vendor must haul-away 100% of used appliances replaced as part of the State's program and dispose of them properly. All refrigerators and freezers replaced must be recycled. "Recycling" means that the product is de-manufactured and processed through a recycling facility. All hazardous materials (e.g., refrigerants, mercury, oils, and PCBs) must be handled in accordance with Federal, State, and local laws. Recyclable materials (e.g., plastics, metals and glass) must be sorted and reprocessed into raw materials for future reuse.

I certify that all of our retail locations in Massachusetts will comply with this requirement for proper haul-away, disposal and recycling of all appliances replaced under the Exchange program.

PLEASE PRINT CLEARLY

Name/Title: _____

Store Name: _____

Number of Store locations in MA: _____ ; If only one location: city/town/zip: _____

Telephone: _____ Email: _____

Fax Number: _____

Signature: _____ Date: _____

If you have a website address to assist customers that you would like to include on the list of qualified retailers that will be posted on the Mass Save website, please provide the URL address below:

Please submit your signed Certification Form to:

MAGAX Retail Partner
P.O. Box 360
Marlborough, MA 01752
