

The Massachusetts Main Street Fairness Coalition

Membership Form

As a member of the Massachusetts Main Street Fairness Coalition, I support efforts to close the sales tax loophole that exists in MA which allows online only, remote sellers, to avoid collection and remittance of the state's sales tax. The Commonwealth needs to take action to level the playing field and protect our own brick and mortar Massachusetts retailers who are the backbone of our local economy and who support our local communities. Whether it takes place online or at a local business, a sale is made, a transaction has occurred and the sales tax is owed. As a matter of fairness, the same rules should apply online that apply on Main Street.
