Invite North Shore Restaurants

to come and learn more about our association, and what we can do for you!

Wednesday, March 7TH 2012

Free appetizers and networking!
 Continental Restaurant
 266 Broadway (Route 1), Saugus, MA 01906

Join us at an after-hours gathering of North Shore Restaurants to meet some of our service providers that offer our restaurant members one-stop shopping cost savings.

RAM President, Jon Hurst will update attendees on the newly approved **RAM Health Insurance Cooperative**.

Association Benefits Insurance Agency will answer questions on the **MA Retail Merchants Workers' Compensation Group**.

Food Service Advisor will provide advice on getting customers into your restaurant with **U-Reserv**.

Quest Energy will review your natural gas costs and provide you the best rates available.

ConnectPay will connect your payroll data with your insurance, financial, and benefits vendors; creating a data clearinghouse solution which eliminates hours of administration costs monthly.

If you are a RAM member, you are already paying for access to these services that could save you even more each month – why not take advantage of them?

If you aren't a RAM member...come and find out how becoming a member could change the way you do business.

Not only can attending save your business money, but potentially win you seats at a Celtics game and benefit those in need.

**\$15 Registration fee to benefit My Brother's Table in Lynn
 And a chance to win two tickets to a Celtics game — in Row 3 (behind the bench!)**
